

## MARIE ISABELLE CHEVRIER

University of Texas at Dallas  
P.O. Box 830688  
Richardson, TX 75083-0688  
chevrier@utdallas.edu

(972) 883-2727  
FAX: (972) 883-2735

### EDUCATION

- 1991        **Ph.D. in Public Policy, Harvard University.** Dissertation: "The Biological and Toxin Weapons Arms Control Regime: Is It the Best Way to Minimize the Risk of Biological or Toxin Weapon Use?" Committee: Thomas C. Schelling (Nobel Laureate in Economics 2005), Paul M. Doty, and Matthew S. Meselson.
- 1986        **Master in Public Policy, John F. Kennedy School of Government. Harvard University.**
- 1972-74     **School of Law, University of Washington** - no degree.
- 1972        **B.A. with honors, University of Nebraska.** Double major in Psychology and French, Junior Year at L'Université De Bordeaux, France.

### PROFESSIONAL POSITIONS

- 1997-Present    **Associate Professor of Public Policy and Political Economy (Assistant Professor 1991-1997), Coordinator of the Masters' in Public Affairs Program (1999-2002),** School of Economic, Political and Policy Sciences, University of Texas at Dallas. Faculty member in the programs in Public Affairs, Political Science and Public Policy and Political Economy. Administrative responsibilities for the MPA program (1999-2002). **Associate Program Chair in Public Policy and Political Economy** (Sept. 2007-present).
- 2008        **Consultant,** King Faisal Specialist Hospital and Research Center, Riyadh, Saudi Arabia.
- 2006        **Guest Visiting Faculty,** Creative Change Center, Antioch University, Seattle, Washington. One week visiting appointment—worked with students and faculty in the Reflective Practice and Transformative Leadership program, taught guest classes and gave a public lecture in the Global Issues and Perspectives series.
- 2004-2005     **Visiting Professor,** Nelson Mandela Center for Peace and Conflict Resolution, Jamia Millia Islamia University, New Delhi, India. Fulbright lecturer in Peace and Conflict Resolution.

- 1997-1998 **Associate Director**, The Harvard Sussex Program on Chemical and Biological Warfare, Armaments and Arms Limitation, and **Senior Research Fellow for Chemical and Biological Weapons Policy Studies**, The Belfer Center for Science and International Affairs, the John F. Kennedy School of Government, Harvard University.
- 2005-2007 **Chair**, Scientists Working Group on Chemical and Biological Weapons, Center for Arms Control and Non-Proliferation. Washington DC. (Founding member in 2004), Continuing Member.
- 1990-2004 **Consultant and member**, the Federation of American Scientists Expert Working Group on Biological Weapons Verification. Chair, Political Subgroup.
- 2000-present **Faculty Member**, Alliance for Medical Management Education, University of Texas Southwestern Medical School and University of Texas at Dallas. Overall programmatic and instructional responsibility for 40 hour module on conflict resolution and negotiations.
- 1985-1990 **Instructor in Public Policy, Economics Coordinator, Economics Instructor, and Teaching Fellow**, Kennedy School of Government, Harvard University. Taught graduate courses.
- 1978-1984 **Administrator**, King County Medical Examiner's Office, Seattle, Washington.
- 1974-1978 **Director**, Seattle Rape Relief, Seattle, Washington.
- 1976-1982 **Guest Instructor**, Alaska State Trooper Academy. Sitka, Alaska.

## PUBLICATIONS

### Books

Chevrier, Marie Isabelle. Forthcoming 2008. *Arms Control Policy: History and Contemporary Challenges*, Praeger Security International.

Pearson, Alan, Marie Isabelle Chevrier, and Mark Wheelis eds. 2007. *Incapacitating Biochemical Weapons: Promise or Peril?*, Lanham, Maryland: Lexington Books.

Chevrier, Marie Isabelle, Krzysztof Chomiczewski, Henri Garrigue, György Granasztói, Malcolm R. Dando and Graham S. Pearson eds. 2004. *Implementation of Legally Binding Measures to Strengthen the Biological and Toxin Weapons Convention*. Amsterdam: Kluwer Academic Publishers.

## Refereed Journal Articles

- Chevrier, Marie Isabelle and Iris Hunger. 2000. "Confidence-Building Measures for the BTWC: Performance and Potential" *The Nonproliferation Review* 7(3, Fall/Winter).
- Chevrier, Marie Isabelle. 1996. "The Aftermath of Aum Shinrikyo: A New Paradigm for Terror?" *Politics and the Life Sciences* 15 (2, September).
- The Federation of American Scientists (FAS) Working Group on Biological and Toxin Weapons Verification, (Marie Chevrier principal author). 1995. "Beyond VEREX: A Legally Binding Compliance Regime for the Biological and Toxin Weapons Convention" *Contemporary Security Policy* 16 (2, August).
- Chevrier, Marie Isabelle. 1995. "From Verification to Strengthening Compliance: Prospects and Challenges of the Biological Weapons Convention." *Politics and the Life Sciences* 14(2, August).
- Chevrier, Marie Isabelle. 1995. "Impediment to Proliferation: Analyzing the Biological Weapons Convention." *Contemporary Security Policy* 16(2, August): 72-102. Abstract in *International Political Science Abstracts*.
- Chevrier, Marie Isabelle. 1993. "Deliberate Disease: Biological Weapons, Threats, and Policy Responses." *Environment and Planning C: Government and Policy* 11:395-417.
- Chevrier, Marie Isabelle. 1992. "The Biological Weapons Convention: The Third Review Conference." *Politics and the Life Sciences* 11(1, February): 86-92.
- Chevrier, Marie Isabelle, and Jessica Eve Stern. 1991. "Chemical and Biological Weapons in the Third World." *Boston College Third World Law Journal* 11(1, 1991 Winter): 45-81.
- Chevrier, Marie Isabelle. 1990. "Verifying the Unverifiable: Lessons from the Biological Weapons Convention." *Politics and the Life Sciences* 9(1, August): 93-105.
- Federation of American Scientists Working Group on Biological and Toxin Weapons Verification. 1991. "Proposals for the Third Review Conference of the Biological Weapons Convention." *Arms Control* 12(2, September).

## Refereed Book Chapters

- Chevrier, Marie Isabelle. 2007. "Why Do Conclusions from the Experts Vary?" In *Bioterrorism: Confronting a Complex Threat*. Andreas Wenger and Reto Wollenmann eds. Boulder, London: Lynne Rienner Publishers.

Pearson, Alan, Marie Isabelle Chevrier and Mark Wheelis, "Introduction" in Alan Pearson, Marie Isabelle Chevrier, and Mark Wheelis eds. 2007. *Incapacitating Biochemical Weapons: Promise or Peril?*, Lanham, Maryland: Lexington Books.

Pearson, Alan, Marie Isabelle Chevrier and Mark Wheelis "Conclusion and Recommendations" in Pearson, Alan, Marie Isabelle Chevrier, and Mark Wheelis eds. 2007. *Incapacitating Biochemical Weapons: Promise or Peril?*, Lanham, Maryland: Lexington Books.

Chevrier, Marie Isabelle and James F. Leonard "Biochemicals and the Biological and Toxin Weapons Convention." 2007. in Pearson, Alan, Marie Isabelle Chevrier, and Mark Wheelis eds. 2007. *Incapacitating Biochemical Weapons: Promise or Peril?*, Lanham, Maryland: Lexington Books.

Chevrier, Marie Isabelle. 1990. Review of *The Diplomacy of Biological Disarmament: Vicissitudes of a Treaty in Force, 1975-1985* by Nicholas A. Sims, *Politics and the Life Sciences*, August.

Chevrier, Marie Isabelle. 1989. Review of *Chemical Weaponry: A Continuing Challenge* by Edward M. Spiers, *The New York Times*, Sunday, August 27.

Chevrier, Marie Isabelle. 1988. Review of *Gene Wars: Military Control Over the New Genetic Technologies* by Charles Piller and Keith R. Yamamoto, *The Bulletin of the Atomic Scientists*, Vol. 44, No. 8, October.

Chevrier, Marie Isabelle. 1985. Review of *Endless Enemies* by Jonathan Kwitney, *Governance: The Harvard Journal of Public Policy*, Spring.

### **HONORS and AWARDS**

2007            Speaker, First Panel of NonGovernmental Organizations to formally address the States Parties to the Biological Weapons Convention.

- 2008-present Chair, Board of Directors, Bioweapons Prevention Project, Geneva, Switzerland.  
Member, 2005-2007
- 2001- present Editorial Advisory Board, *Politics and the Life Sciences*.
- 2004 "Developing Leaders in Conflict Resolution and Negotiation" Fulbright Scholar Program. Six month lecturing grant at Jamia Millia Islamia University, New Delhi, India.
- 2004 Guest Scholar, lecture tour to Rangoon Burma sponsored by the US Consulate in Rangoon to address ethnic conflict among pro-democracy political parties.
- 2002 Guest Scholar, Ten day lecture tour of Germany and Spain sponsored by the US Embassies in Berlin and Madrid.
- 1989 Pew Teaching Leadership Award, National Conference on the Training and Employment of Teaching Assistants.
- 1987-1988 Harvard MacArthur Foundation Scholar.

## **GRANTS**

- 2000 Ploughshares Fund grant. As program chair of the biological warfare section of the annual meeting of the Association for Politics and the Life Sciences, Ploughshares awarded a grant to the Association for participation of foreign diplomats in a conference panel. I wrote the grant proposal and chaired the panel.
- 1995 Research grant, "Changing Roles, Changing Rules: the Evolution of the Neutral and Non-Aligned Group in Multilateral Disarmament Negotiations in the Post Cold War Era", United States Institute of Peace.
- 1994 Faculty Teaching Seminar, Peacemaking in an Evolving World, United States Institute of Peace.

## **INVITED PRESENTATIONS AND CONFERENCE PARTICIPATION**

NGO Statement by Dr. Marie Isabelle Chevrier, Chair, Scientists Working Group on Biological and Chemical Weapons, The Center for Arms Control and Nonproliferation, At the Meeting of the States Parties to the BTWC. Geneva, 12 December 2007

"Incapacitating Chemical Weapons and the CWC" The Green Cross National Dialogue Forum on Chemical Weapons Destruction in Russia, November, Moscow, the Russian Federation. 1, 2007.

"Secrecy, Transparency and Democracy" Second Istanbul Conference on Democracy and Global Security. Istanbul, Turkey. June 16, 2007

"Education for Life Sciences" with Brian Rappert. 6th Review Conference of the Biological Weapons Convention. Geneva, Switzerland. November 28, 2006.

"Threats Posed by States" Conference Presentation. Developing a Comprehensive Global Biosecurity Regime. Sponsored by Green Cross International. United Nations, Geneva, Switzerland. November 8, 2006.

"Chemical, Biological and Toxin Weapons—Transparency Lessons" Conference Presentation, Towards a Russian National Dialogue on Energy Security, Nuclear Non-Proliferation, and a Safe and Sustainable Future. Moscow, Russian Federation. Sponsored by Global Green and Rosatom. July 4, 2006.

"Global Citizenship: An Oxymoron?" Global Issues and Perspectives lecture series. Antioch University, Seattle Washington, May 3, 2005.

Workshop on "Controlling Dangerous Pathogens" Center for International and Security Studies at Maryland, University of Maryland, 2005.

"Reconstructing Peaceful Society: Bosnia After Dayton", Cecil and Ida Green Distinguished Lecture, University of Texas at Dallas, April 30, 2004.

"Evaluating Implementation: Treaties Governing Chemical and Biological Weapons" inaugural lecture in the Vidvatya Series, India Habitat Center, New Delhi India, September 28, 2004.

"Implementation Issues: The Chemical and Biological Weapons Conventions," Department of International Relations, Jawaharlal Nehru University, New Delhi, India, November 3, 2004

"Civil society and illicit biological weapons activities: the importance of transparency" panel presentation at the launch of the Bio Weapons Prevention Project. Other panel members included: Jayantha Dhanapala Under-Secretary-General for Disarmament Affairs, UN and Judge Dumisa Ntsebeza, former Chief Investigator, Truth and Reconciliation Commission, South Africa. The United Nations, Geneva, Switzerland. November 11, 2002.

"The United States and Biological Arms Control Strategy" Lecture, at the German Military Command and Staff College (Fuehrungsakademie) for senior military officers and faculty. Hamburg, Germany. March 1, 2002. Sponsored by the United States Embassy, Berlin.

"Bioterrorism: Real and Imagined Dangers" Lecture at the Konrad Adenauer Foundation (Stiftung), Berlin, for 75 experts from the Bundestag, Federal Government, policy institutes, political foundations and media. March 4, 2002.

"The United States and Biological Weapons Arms Control" Lecture at the Foreign Ministry, Spain with 30 senior political and military personnel. Madrid, Spain. Sponsored by the United States Embassy, Madrid. March 7, 2002.

International Workshop on Disarmament and Arms Control: "Current Issues and Their Implications on Security in Northeast Asia." Ministry of Foreign Affairs and Trade. Seoul, South Korea December 11-13, 2001.

Conference on the Future of Biological Weapons Arms Control. Sponsored by The United Nations Institute for Disarmament Research and The Geneva Forum, Glion, Switzerland, Oct. 11-12, 2001.

Workshop of the Pugwash Study Group on the Implementation of the Chemical and Biological Weapons Conventions: "Strengthening the Biological Weapons Convention. Geneva, Switzerland. Funded by the American Academy of Arts and Sciences and Pugwash Conferences on Science and World Affairs, recipient of the Nobel Peace Prize, 1996. Yearly since 1995.

Panel organizer, and chair, The 2000 Carnegie International Non-Proliferation Conference "New Challenges in Asia and America" Washington, D.C. March 16-17, 2000.

"The US Position in the Negotiations to Strengthen the Biological Weapons Convention." London School of Economics and Political Science, London, UK. March 2000.

"Biological Weapons Proliferation: Preventing the Potential from Becoming Reality," at New Challenges in the Spread of Weapons of Mass Destruction. A conference sponsored by the Union of Italian Scientists for Disarmament, Castiglioncello, Italy. September, 1999.

"Preventing Biological Proliferation: Strengthening the Biological Weapons Convention" at Preventing the Proliferation of Weapons of Mass Destruction: What Role for Arms Control? A conference sponsored by Franziska and Otto Bennemann Foundation, and the Friedrich Ebert Foundation, Bonn, Germany. June 1999.

"Biological Weapons Arms Control" Princeton University, Woodrow Wilson School of Public Affairs. March 1999.

"The Structure and Cost of a BWC Organization," NATO Advanced Research Workshop, Center for Political and International Studies, Moscow, Russia. December 1998.

"Confidence Building Measures and the Biological Weapons Convention." Centre for Genetic Engineering and Biotechnology, Trieste, Italy. June 1998.

Member of the faculty and the planning committee, NATO Advanced Study Institute, New Scientific and Technological Aspects of Verification of the Biological and Toxin Weapons Convention, Budapest, Hungary, July 1997.

"The Neutral and Non-Aligned in Disarmament Negotiations After the Cold War," Belfer Center for Science and International Affairs, Harvard University. March 7, 1997.

Workshop on the Utility of Sampling and Analysis for Compliance Monitoring of the Biological Weapons Convention. Funded by the sponsoring agencies: the Monterey Institute of International Studies and Lawrence Livermore National Laboratory, Washington D.C. October 7-8, 1996.

The XI Conference of the Heads of State or Government of the Non-Aligned Movement. Invitation of the Colombian Ambassador to the United Nations. Cartagena, Colombia. October 18-20 1995.

Invited Speaker, Second National Conference on the Training and Employment of Teaching Assistants, American Association for Higher Education, Seattle, Washington, November 1989.

### **Refereed Conference Presentations**

"A Tale of Two Treaties: Banning Landmines and Biological Weapons." International Studies Association, Chicago, Illinois. Feb. 2007.

"The Politics of Biological Disarmament and the 2001 BWC Review Conference," The International Studies Association Annual Conference, New Orleans, Louisiana, For the panel "The Biological Weapons Control Regime at a Crossroads" March 27, 2002.

Chair and participant in Roundtable: "Strengthening the Biological Weapons Convention" Annual meeting of the Association for Politics and the Life Sciences. September 1999.

Panel Chair: "Biological Weapons: Threats and Responses" Annual meeting of the Association for Politics and the Life Sciences. September 1999.

"The Non-Aligned Movement: Here Today, Here Tomorrow," The International Studies Association, Toronto, Ontario. March 22, 1997.
