ATEC 4380 – CAPSTONE APPLICATION

Name ____________________________ UTD ID # ____________________________

Major ____________________________ Total Hours Passed __________ Current GPA ________

Capstone (ATEC 4380) is an independent project completed under a faculty supervisor’s direction rather than in the Senior Seminar course (ATEC 4381). The student will be required to meet with their faculty supervisor throughout the semester to complete and receive feedback on the project. The faculty supervisor’s consent is required for registration. **Please seek permission from your intended faculty supervisor by April 18, 2016.** Capstone (ATEC 4380) will fulfill the Capstone Project requirement for the ATEC degree.

Course Number ATEC 4380 Sem. Hrs. 3 credit hours Semester __________

Section Number ________________ 5-digit Class Number ________________

Describe briefly the topic and scope of the proposed Capstone:
