Interviewing

*Insightful Tips for Spotlighting Skills in Behavioral Interviews*

Thursday, March 2nd, noon - 1 p.m. JO 2.114

Guest Speaker: Career Consultant Janie Shipman, M.ED., NCC, LPC

Many employers use behavior-based interview questions to help them evaluate an applicant’s fit for a position. Join us to learn how to identify and portray your transferable or “soft” skills, as well as the required “hard” skills. Learn how to master the STAR method and prepare answers for those dreaded "Tell me about a time when…" interview questions.

**Refreshments will be served**
