About the Camp

The Annual Crystal Charity Ball Cochlear Implant Summer Listening Camp:

- Is for children ages 4 -11 who have cochlear implants (children must be toilet trained).
- Includes typical camp activities such as games, music, and arts and crafts.
- Provides the campers with listening and speech-language therapy throughout the week.
- Is staffed by graduate students from the School of Behavioral and Brain Sciences at UT Dallas who participate as camp counselors or “buddies” for the campers.

Registration

The cost of camp is $250, which includes:
- Snacks each day
- A camp T-shirt
- Daily speech, language and listening intervention
- Transportation to and from camp (Mon. - Thurs., leaving from Callier Dallas)
- The Friday Family Celebration

Space is limited.

To reserve your spot at camp:
- Complete and mail the form on the back
- Send a non-refundable $75 deposit before May 1, 2016

Once a deposit is received, the family will receive registration materials and specific information about the camp. These forms must be returned for the child to attend.
