Camp Talk A’Lot is a group language therapy program for children ages 3 – 5 years. The program will use fun thematic units, week by week, to provide opportunities to increase language skills, as well as practice social communication with peers. Campers will have individualized goals, which will be targeted within the context of exciting preschool activities such as arts and crafts, games, motor activities, drama, songs and more. The environment allows for facilitation of skills in a highly supportive, naturalistic environment, where the support and cues can fade over time as the child becomes more independent. The program is facilitated by UT Dallas graduate students, with direct supervision of a licensed speech-language pathologist.

**Evaluation Requirement:**
Children must have had a recent speech-language evaluation (within 6 months) or documentation from current therapy, which must be submitted prior to enrollment. At the discretion of the program director, a Program Intake Assessment may be required prior to admission.

**When:**
June 6 - July 13, 2016
Monday and Wednesdays
1:00 p.m. - 3:00 p.m.

**Where:**
Callier Center Richardson
811 Synergy Park Blvd.
Richardson, TX 75080
