

## EDUCATION CONGRATULATIONS

### UTD chess team wins top college award, \$3,500

The chess team at the University of Texas at Dallas recently won the top college chess team award and \$3,500 at the first-ever HB Global Chess Challenge in Minneapolis. The group, also known as the "A" Team, participated in a tournament that had a purse of \$500,000, which is said to be the highest ever in an open chess tournament. Most of the team's prize money, \$2,500, will go toward the university chess program, and \$1,000 will be donated to the university's chess club.
