

ACADEMIC EXCELLENCE SCHOLARSHIP PROGRAM

GRADUATE USAGE FORM

I would like to use the remaining semester(s) of my scholarship to pursue graduate hours. I understand that approval to use the remaining semester(s) is contingent upon being in good standing with the AES program. I further understand that as a graduate student I must take at least nine **(9) semester credit hours and maintain a 3.0 or 3.25 GPA, if applicable** to remain eligible for scholarship assistance. I also understand that I am ineligible to receive both the AES and graduate student scholarship/stipend assistance.
