

## *League of United Latin American Citizens - LULAC Comprehensive Immigration Reform Symposium*

The Octavio Paz LULAC Council 4690 at The University of Texas at Dallas wants to invite the entire campus and community to a symposium discussing one of the most critical issues in the State of Texas and the United States.

The aim of the Symposium is to enhance the dialogue on immigration reform. Immigration policy is one of the most contentious issues in the country. This symposium will focus on the complexities of immigration reform, the challenges that Hispanics and other minorities face and the likelihood of a new comprehensive immigration reform bill becoming law in the upcoming decade.

The symposium will consist of various workshops, a luncheon speaker, all of which is aimed at engaging the community on the immigration debate.
