

# Add/Remove Tools

---

To add or remove a tool in eLearning, while in the Build or Teach tab, click on **Manage Course** in the course menu.

Click the **Tools** link.

**Tools**

Determine which tools can be used in the course. You can add and remove tools as necessary.

Check the box for any tool you wish to add to your eLearning section, and uncheck any tools you wish to remove. Scroll down to the bottom of the screen and click **[Save]**.

Notice that your course menu now updates with the changes you've made.
