

Rename an Uploaded File

To rename a file that you have uploaded, while in the Build tab, click on the action button for the file you wish to modify. Choose **Edit Properties**.

Edit the Title field, then click [Save].

Edit File

* Title: ←

* Content: **The file linked to this "Page" is not recognized as being editable**

Linked to ↙

* Required field

You now see the changes you've just made.
