*PLEASE NOTE:*

Transfer Core options listed reflect the TCCNS courses only, as approved at UTD.

Other Texas public colleges or universities may individually interpret some TCCNS courses in a different core category, which UTD will honor. Check with a UTD academic advisor to verify this.

Other courses that may potentially qualify for core requirements must be approved by a UTD academic advisor or the department housing the student's major.

Completion of the entire Core Curriculum at another Texas public college or university will substitute for completion of UTD's Core Curriculum.

UTD does not accept vocational or technical courses in certificate or applied science programs, nor Workforce Education (WECM) courses, nor developmental courses.
