

The University of Texas at Dallas

# Graduate Certificate in City Planning

The Public Affairs program at The University of Texas at Dallas offers a **Graduate Certificate in City Planning**.

This program has a high level of practitioner involvement and helps prepare students to take the AICP exam.

## **Courses:**

Five (5) graduate courses (15 credit hours) in City Planning. The courses taken for this certificate will apply to the MPA degree if the student elects to complete that graduate degree.

### **Course 1: Principles and Practices of City Planning**

- PA 5320 - Community Planning

### **Course 2: Basics of Development**

### **Course 3: Land Use Law and Development Regulation**

### **Courses 4 and 5: Two electives from among these choices:**

- PA 6342 - Local Economic Development
- Transportation Planning
- GIS
- Urban Design
- Neighborhood and Housing Conservation
