The University of Texas at Dallas

Project Description

The Project includes enhancement of the campus entrance along University Parkway from Campbell Road and central core campus enhancements with the priority being the central plaza surrounded by McDermott Library, the Student Union, the Founders Building and the Green Center. Enhancements will combine major signature visual themes, structural elements including water features, elegant, functional pedestrian ways with attractive vistas, attractive, functional entrances to current buildings, and specific subspaces embodying combinations of functionality and aesthetic interest that will serve as powerful attractors for students, faculty and staff.
