302-764 Callier Richardson Expansion
The University of Texas at Dallas

Executive Summary Report

Project Description
This project will consist of construction of approximately 49,000 gross square feet (GSF) of a new addition to the existing Callier Center for Communication Disorders facility and 4,000 GSF of renovation to the existing building to accommodate the rapid student growth in the School of Behavioral and Brain Sciences. This building addition will house state-of-the-art clinical facilities to train the next generation of practitioners and researchers in speech language pathology, audiology, and early childhood disorders such as autism, as well as provide offices, laboratories, and classrooms for new faculty to meet the growing enrollment in the school.
