

PERSONAL MEDICAL EMERGENCY ALERT SYSTEM

Pioneer Emergency Medical Alarms offers prime medical alarm protection for your loved ones. A resilient, waterproof necklace with a medical alert button is worn around the house and yard. During an emergency, the button is pressed to summon paramedics or family members. The central receiver box can talk to your loved one and direct the appropriate level of response. Free lockboxes are provided to customers who buy through the internet: <http://www.pioneeremergency.com/medical-alert.shtml> and employees receive an additional one month free.
