

**INTERNSHIP**

General Studies students are strongly encouraged to consider an Internship as part of their education at UTD. The General Studies Internship Director facilitates internships with local businesses, governmental agencies, or non-profit organizations. To be eligible for an Internship, you must have completed 15 semester credit hours with a minimum grade point average of 2.8 in major courses. Internships generally entail a minimum of ten hours a week of supervised on-site work and appropriate academic study for three hours of credit. Internship credit will not be given for experience in your past or present jobs. If you are interested in an Internship related to the topic of your Concentration, see the Internship Director early in the semester prior to the semester in which you wish to take the Internship.
