

Graduation with Honors

The requirements for graduation with honors of *cum laude*, *magna cum laude*, and *summa cum laude* are explained on page 26 of the 2004-2006 catalog. You may also ask in the General Studies office for more information on the requirements for Senior Honors Projects/Papers. The completion of a minimum of 45 hours at UTD are necessary for any level of high honors. In order to graduate *magna* or *summa cum laude*, see the College Master in the semester prior to the semester in which you intend to graduate for advice on registering for an honors project. The Master may also be able to suggest a faculty member who would be an appropriate Senior Honors supervisor
