Student to see Associate Dean for a list of recommended courses. NUTRITION DOES NOT COUNT.

NOTE: The degree requirements for each major dictate which courses are best used to meet core curriculum requirements, particularly in the areas of mathematics and natural science. Courses listed in parenthesis satisfy both core and major requirements. Students planning to transfer to UTD should fulfill their institution's core curriculum using the classes listed above. This will minimize the need for additional lower-division coursework at UTD. Please consult your academic advisor for course descriptions.
