Biographical Sketch:

Fred E. Anderson was a pilot of fixed-wing aircraft for Air America. After the shutdown of Air America he flew for several other charter services, cargo airlines, and air taxi services. He also worked as a flight instructor.

Sources

Fred E. Anderson Collection, History of Aviation Collection, Special Collections Department, McDermott Library, The University of Texas at Dallas.

Additional Sources

The History of Aviation Collection at the University of Texas at Dallas is the official archive of CAT and Air America and has extensive holdings of archival material relating to Air America operations and aviation in Southeast Asia. Consult the finding aids of the CAT/Air America Collection for further details.

Series Description

The Fred E. Anderson collection consists of one series of three boxes of material totaling 1.9 linear feet. It is comprised of loose material in folders. The collection is described at the folder level. See container list for the title of individual folders.

Scope and Content Note

The Fred E. Anderson Collection includes material used by Fred E. Anderson in the operation of fixed wing aircraft, both with Air America and other companies. This material is made up of flight data, charts, operations manuals, forms, training material, navigational aids, and his personal logbooks.

Provenance Statement

The Fred E. Anderson Collection was donated to the History of Aviation Collection, McDermott Library Special Collections by Lang T. Anderson in August 2004.

Literary Rights Statement

Permission to publish copy, reprint, digitize, orally record for transmission over public airways, or use in any and all current or future developed methods or procedures, must be obtained in writing from the Special Collections Department, McDermott Library, The University of Texas at Dallas.
