

## **Clyde Morehouse Collection**

### **Box 1**

This collection consists primarily of maps of South East Asia arranged for easy reference while flying. Routes are plotted on many of them with headings noted as well. Some maps have the small, back country landing sites in Laos noted.

- 1 Log sheet and other papers. Including designated routes for civil contractor aircraft penetrating Thai airspace, and Standard phraseologies
- 2 Maps of Northern Thailand and Laos north of Vientiane
- 3 Maps: Thailand, Southern Laos and Cambodia
- 4 Maps: Large scale of SEA - Burma, Thailand, Laos, Cambodia, and Vietnam
- 5 Maps: Six of Laos and Thailand
- 6 Overview maps - two routes out of Pakse and Savannakhet and routes out of Vientiane
