Historical Sketch

Founded in 1923 and being the second oldest aerophilatelic society in the U.S., the American Air Mail Society (AAMS) is publisher of *The Airpost Journal* and the *Jack Knight Log*. Among numerous other publications pertaining to aerophilatelic, the AAMS publishes the American Air Mail Catalogue.

In 1995 the AAMS and the Aerophilatelic Federation of the Americas (AFA) merged with the AAMS assuming publication of the *Jack Knight Air Log*.

The *Jack Knight Air Log* published quarterly, contains information about auctions of airmail material, reports, research studies provided by the AAMS Chapters and other Study Units representing data of Zeppelin, Lindberghiana as well as U.S. and foreign airmail topics.
