To search for company information hover your mouse on Companies/Markets in the gray toolbar, then click on Company.

In the next screen, enter the company name or ticker symbol in the Smart Lookup search box. As you begin typing the database will suggest names and tickers. Click on the company name in the result list.

The result screen will show company financials, stock tracking and charting, key employees’ names, news items, strategy, products, contracts and much more.
To learn how to do more extensive searching use Factiva’s tutorials. In the upper right corner click the drop down arrow next to the wheel icon.

Click on “Customer Service” in the list. In the next screen, click on “E-Learning Resources” or “Online and Face-to-face Learning Sessions” towards the bottom of the page.
