Welcome to Graduate Career Services in the Office of Graduate Studies at UT Dallas. Our office provides resources to help graduate students and postdoctoral scholars prepare, plan, and execute their job searches.

Graduate Career Services offers numerous workshops throughout the year on topics such as career planning, skill building, individual development plans, and career exploration.

Director of Graduate Career Services, Rob Pearson, is available to meet with students individually or in groups. He can be reached by email at robert.pearson@utdallas.edu.
