UTD The University of Texas at Dallas
Chess Program is pleased to announce

Summer 2009

Chess Camps

Parents across the country are
recognizing the benefits of chess
instruction for their children.

Chess develops reading and math abilities,
critical and analytical thinking,
character and self-esteem.

But don't tell the children that!

They think...

Chess is fun!

Who

Children ages 7 to 13
ABC class for adults!

UT Dallas instructors include top-ranked and internationally known winners of multiple Final Four and Pan-American Intercollegiate Team Chess Championships.

Classes are divided by ability, age, experience, and instructor assessment. Classes are small and have a low student-to-teacher ratio. Special attention is made to requests for friends and relatives to be grouped together.

- **Beginning players** will master the basic rules and fundamentals.
- **Intermediate players** will build upon basic chess knowledge with key strategies and ideas.
- **Advanced players** will sharpen their competitive edge with advanced strategies for tournament play.
- **Absolute Beginners Class (ABC)** is for beginning adults with little or no chess knowledge. Adults will learn how to organize scholastic chess clubs and participate in tournaments.
