Order a Paper Transcript

- Transcript requests will not be processed for those with holds for financial or other obligations to the University. All University holds must be cleared before requesting a transcript.
- Once an order is placed, you will be charged for the order. If holds preclude processing the order, you will have no more than 28 days to resolve the hold before your credit card is charged and the order is closed without transcript delivery. Holds resolved after 28 days will require the placement of a new order with charge
- Transcripts will reflect the individual's complete record.
- Undergraduate and graduate transcripts are issued together.
- Expedited shipping requests do not receive priority processing. Expedited shipping fees only provide for the transcript to be shipped express after the normal processing time.
- Official transcript orders may only be requested through the UT Dallas Transcript Storefront.
- Attachments are only available via the electronic transcript option. If you have required attachments to be included with your official transcripts, please choose the e-Transcript option.
- All transcript orders must be requested by the student / alumni / former student directly. Third-party released requests will only be accepted for federal or state law enforcement agency purposes.
