HEALTH FAIR

A SUCCESS

The Wellness Committee of the UTD Staff Council presented a free Staff Health Fair on April 18th and 19th in the Student Union Galaxy rooms. This was a fun and informational health fair as well as a chance for the staff to have complimentary health screenings. Door prizes were awarded as part of the health fair event. The fair was a great success due to the help of community organizations and as always the support and participation of UTD staff. (cont. on p.2)

Thanks For The Memories

Dr. Franklyn
Jenifer

UTD spent part of last year conducting ceremonies, receptions, and activities to say farewell to President Franklyn Jenifer. June 1st will mark the end of an era that the Staff Council will view with pride and deep affection. The council was established during Dr. Jenifer's administration. His relationship with staff is at the core of the council's mission to be "an advisory body through which eligible staff members can convey information and make recommendations to the President..." According to Staff Council Chairperson, Sandee Goertzen, "If he had not approved the Staff Council being established, we wouldn't be where we are today."

Dr. Jenifer emphasized to UTD supervisors that staff members should be allowed to participate in the council, including time for committee work and attending meetings. He supports the council having a budget and made himself accessible to the Chairpersons and Executive Committee members. He enjoyed the small group settings of his District Coffees as well as participates in our Fall Forums and CARE Award ceremonies. He initially approved the CARE Awards and played an integral part

(cont. from p. 3)

in the approval of the tuition fee waivers that Staff Council proposed.

Dr. Jenifer demonstrated a true appreciation for the role of staff members in the success of UTD. He elevated the status of Staff Council to one of the effective governing bodies on this campus. We honored him last fall with a presentation of a crystal gift. While saying "good bye," we celebrate his accomplishments and wish him well.

The annual Staff Council Valentine's Day balloon sale was an overwhelming success! A net profit from balloon sales of \$954.50 was raised to add to the Staff Scholarship Fund. Thanks again, to the members of the Fundraising Committee as well as all of those who helped with this fun and successful event.
