TRANSFER PROCEDURES

For immigration purposes, “transfer” simply means that a student is leaving one school’s “I-20 program” for another school’s “I-20 program.” This can happen when an international student:

1. Graduates from a U.S. high school and comes to UTD
2. Leaves one undergraduate or graduate program and goes to another institution
3. Graduates from one degree and decides to pursue another degree at a different institution

How do I transfer my F-1 status to The University of Texas at Dallas?

As a transfer student you will not receive an I-20 until after you arrive at UTD, attend the mandatory orientation, and register for classes. The steps for transferring are as follows:

- 1) Apply and be admitted to The University of Texas at Dallas
- 2) Turn in the necessary documentation to the International Student Services Office
- 3) Request a transfer release from your current school. The transfer date should not be later than the first day of class at UTD. Show the Transfer Information Sheet on the other side of this page to your current International Student Advisor to ensure a timely and correct transfer to UTD.
- 4) When all the documents have been submitted and you have registered for classes, we will process the I-20.
- 5) Allow 5-7 working days to process your I-20
- 6) Sign and pick up your I-20 within 30 days of the first day of class. **Failure to complete the transfer process in the prescribed timeframe will cause a student to become “out of status”.**

What documents do I need to give to the International Student Services Office so my I-20 can be issued?

You will not be able to register for classes until all documents have been received.

- 1) copy of your most current I-20 (front and back)
- 2) copy of your passport (must show picture and expiration date)
- 3) copy of your visa
- 4) copy of your I-94 card (front and back)
- 5) the official UTD financial affidavit signed by you and your sponsor
- 6) a bank statement on letterhead, showing the account number and account balance. The statement must be at least 6 months current.
- 7) copy of all your EAD cards (Employment Authorization Document) if applicable

You can mail or fax these documents to UTD or you can turn them in at the Document Intake session, see your orientation letter for details.

What happens if I do not have a transfer I-20 within 30 days of the 1st day of class?

You will be out of status and will need to apply for reinstatement with USCIS.

If I have more questions about the transfer process what should I do?

You can email our office at ISSOProspective@utdallas.edu or you can call our office at (972) 883-4189.
