

Summer 2009 Final Exam Schedule

Full Term (11 weeks): Thursday, August 6 – Wednesday, August 12

1st 5-Week Session: Monday, June 29 – Friday, July 3

2nd 5-Week Session: Thursday August 6 – Wednesday, August 12

TED Only (8 Week Session): Monday, July 27 – Friday, July 31

Final examinations are given at the option of the instructors. This schedule provides opportunity for an examination, or summary discussion or any other approach appropriate to the closing of a course for the semester.

For 11 Week Session:

- Classes meeting two times per week will follow the below times and dates. Instructors of classes that meet more than two times per week or outside of the approved meeting times of the university will need to email records@utdallas.edu well before final exam week to arrange a final exam time and examination room during August 6 – August 12.
- Classes meeting one time per week can have examinations at the normal time of the class but, in order to ensure classroom availability, the instructor will need to email records@utdallas.edu well before exam week.
- Although the schedule is almost free of conflicts, instructors must be prepared to allow alternate examination times when the student is required to take more than one exam at the same time, or where the student is scheduled for more than three (3) examinations in the same day. If the instructor and the student cannot agree on an arranged time for the examination, the Registrar will assist in scheduling the test. Maximum test time is 2 hours and 45 minutes.

Other sessions:

Classes in the 1st 5-week and the TED 8-week sessions may use their regular class time and room for their final exam.

Courses that do not meet the scheduling guidelines of the university should email records@utdallas.edu to ensure the exam is free of conflicts.
