Peer Health Educator Application

The Peer Health Education program at the University of Texas at Dallas is comprised of trained and motivated UTD students who have a desire to improve the health of fellow students. The PHEDs promote healthy lifestyles, increase awareness of campus and community resources and educate students on a variety of health topics.

Please return application and 2 references to the Student Wellness Center, SSB 4.5, by April 1, 2016

Peer Health Educator Requirements:

- Classification of a Sophomore or higher
- Minimum 2 semester commitment
- Available at least 5 hours per week during Fall 2016-Spring 2017 semesters
- Available for training sessions in Summer 2016 (June), before the start of the Fall 2016 semester
- Some summer hours may be available for interested PHEDs depending on programming demands during the Summer 2016 semester

Desired Peer Health Educator Qualities:

- Interest in health or a health related field
- 3.0 GPA or approval from coordinator
