

AP Summer Institute—Airport Shuttle Information

DFW Airport is the larger airport with the most national/international flights. From DFW airport, you will need to get a shuttle or taxi, or rental car. If renting a car, travel time to/from airport is approximately 40 minutes. With taxi or airport shuttle, it may be longer depending on number of stops.

Dallas Love Field is the smaller airport with Southwest Airline being the major airline to cities within Texas and surrounding states. It is approximately 40 minutes by shuttle to the DoubleTree in Richardson.

The DoubleTree Hotel-Richardson (formerly Radisson Hotel) has shuttle transportation to/from UTDallas campus daily at a specific time. The campus is located on same street as the hotel (Campbell Road) approximately two miles away.

To register at the Doubletree Hotel go to www.utdallas.edu/teach/apsi and click on hotel link on left side of page.

Dallas APSI will finish by noon on Friday.

Below are shuttle service websites for either DFW or Love Field:
