**PURCHASING**

**SUB-TOPIC**

**STATE SPECIFICATION ON ITEMS TO BE PURCHASED**

State specification for regularly purchased items or special commodities are compiled by the General Services Commission. Use of these specifications establishes minimum quality standards for merchandise utilized in the entire State of Texas and is not meant to exclude bids offering higher quality or requests for other specifications.

Items covered by the General Services Commission are listed online at the General Services Commission's website: <http://www.gsc.state.tx.us>.
