ROADS AND GROUND MAINTENANCE**

SUB-TOPIC

PURPOSE AND SCOPE

UTD's outside physical environment is intended to provide a pleasant first impression to all visitors, students and staff. Providing a safe, clean and relaxing atmosphere also promotes educational growth.

The campus landscape includes all areas outside the University buildings.

1. Components of this program include:
- Trees
 - Shrubs
 - Ground Covers
 - Turf Grasses
 - Flowers
 - Athletic Fields
 - Fountains and
 - Irrigation Areas.

All components will be maintained, as funding permits, through professional horticultural and maintenance procedures in such a manner as to provide a healthy, beautiful campus.
