PARKING AND TRAFFIC POLICIES

The Parking and Traffic Rules and Regulations have been devised to allow for the safe and efficient use of roadways and parking areas provided by the University.

The use of these facilities is considered a privilege, not a right, and the privilege is conditioned, in part, on the individual's compliance with these rules and regulations.

All University Police Officers have the authority to direct traffic and issue citations on campus.

The speed limit on campus is thirty (30) miles per hour, except where posted speed limits differ.

The Campus is defined as all property under control of The University of Texas at Dallas, Richardson, Texas.

A. Permits, Regulations, Registration, Fees and Violations: Policies involving permits, regulations, registration of vehicles, fees, and violations can be found in the booklet "Traffic and Parking Regulations." This booklet is distributed with each decal purchased. The booklet is updated frequently and contains the most current revisions of the rules and regulations. The complete legal-sized document is on file in McDermott Library as well as the Decal Office.

B. Resolution of Citations: Administrative fees for parking or traffic violations should be paid at the Bursar's Office in the lower level of the McDermott Library. If the fee is not paid within seven (7) calendar days after the issuance of the citation, a \$7.50 late charge will be assessed.

If a person accumulates several tickets, and neglects or refuses to pay these administrative fees, the University Police may issue a Court Appearance Citation. This citation must be resolved at the Collin County Government Center, 661 E. 18th Street, Plano, Texas.
