Don’t gamble with your health.

UT SELECT Medical now provides 100% coverage for preventive screenings

When it comes to your health, there’s nothing more important than prevention. Now you can find out exactly what screenings are recommended for you based on your age and gender by visiting www.livingwell.utsystem.edu. Better yet, you’ll pay nothing for these important exams when you get them in-network, so make your appointment today!

Also, if you haven’t completed your WebMD HealthQuotient, now is a great time to do so. You’ll receive an easy-to-understand report that highlights your individual health risks – along with a detailed and personalized plan to help reduce or eliminate them.

Remember, all of the information you provide is completely confidential and no one but you will have access to your personal health information.

To learn more about the screenings recommended for you and to complete your WebMD HealthQuotient, visit www.livingwell.utsystem.edu.

This program is available to all employees, retirees, and dependents over the age of 18 who are UT SELECT members.
