Condition Management Lunch & Learn
Presenter - Diana Gonzales, BCBSTX
April 18, 2016
SU - Galaxy Rooms A & B
12-1 p.m.

If you have a chronic condition, managing your health better can pay off later on. Learn how to take the first step to a healthier tomorrow and how to join the Condition Management program by attending this lunch & learn.

Condition Management is available to you and your covered family members if you have:

- Asthma
- Chronic Obstructive Pulmonary Disease (COPD)
- Depression
- Lower Back Pain
- Congestive Heart Failure (CHF)
- Diabetes
- Coronary Artery Disease (CAD)
