## 2018 HIGHLY CITED RESEARCHERS: 96 in Economics and Business (who are listed in Highly Cited Researchers 2018 by Clarivate Analytics/Web of Science)

Downloaded: Dec 13, 2018 https://hcr.clarivate.com/resources/archived-lists (SEARCH: "2018 Highly Cited Researchers Dec 6, 2018")

Based on Web of Science/Essential Science Indicators citations during 2006-2016 (in total, approximately 6,000 top scholars in 22 fields)—the other three UT Dallas scholars on the list are Ray Baughman (cross-field), Luigi Colombo (physics), and Robert Wallace (cross-field). Of the world population of scientists, the Clarivate Analytics Highly Cited Researchers are one in 1,000—the top 0.1% (summary report, p. 2)

THREE FROM TEXAS 1 from UT Dallas—and the only 1 from UT System (Peng) This is Peng's fifth consecutive appearance on the list (since 2014)

2 from Texas A&M (Hitt and Ireland)

2 from Univ of Washington (Peng's PhD alma mater—Palmatier and Sirmon)

1 from Ohio State Univ (Peng's previous school—Stulz)
