Honors, Awards, Fellowships

Robert H. Durr Award, Midwest Political Science Association’s prize for the best paper applying quantitative methods to a substantive problem at the 2006 meeting. Published as Sattler, Thomas, John R. Freeman and Patrick T. Brandt. 2008. “Popular Sovereignty and the Room to Maneuver: A Search for a Causal Chain” *Comparative Political Studies*

Research Fellow, Workshop in Political Theory and Policy Analysis, Indiana University, Fall 1999.

John V. Gillespie Memorial Scholarship, Department of Political Science, Indiana University, Summer 1999.

Political Science Departmental Fellowship, Indiana University, 1994–1996.

Governor’s Fellow, Governor’s Commission on Government Reform, Richmond, Virginia, Summer 1994.

W. Warner Moss Prize, Department of Government, College of William and Mary, 1994.

Service

Discipline

Member, Editorial Board, *Journal of Conflict Resolution* 2009-present.

Instructor, “Advanced Bayesian Models for the Social Sciences”, Inter-university Consortium for Political and Social Research, University of Michigan, August 2008. One week workshop on Bayesian time series models co-taught with John R. Freeman.

Chair, John T. Williams Dissertation Prize in Political Methodology, Political Methodology Section, American Political Science Association. 2008–2009.

At-Large Council Member, Political Forecasting Group Section, American Political Science Association, 2008–2010.

Committee Member, Gosnell Prize for Excellence in Political Methodology, Political Methodology Section, American Political Science Association. 2007.

Committee Member, John T. Williams Dissertation Prize in Political Methodology, Political Methodology Section, American Political Science Association. 2006.

American Political Science short course, “Event Count Time Series Models,” September 1999, Atlanta, Georgia.

Reviewer: American Journal of Agricultural Economics, American Journal of Political Science, American Political Science Review, American Politics Research, British Journal of Political Science, Cambridge University Press, Chapman & Hall / CRC, Conflict Management and Peace Science, Defence and Peace Economics, Economics and Politics, Foreign Policy Analysis, International Interactions, International Studies Perspectives, International Studies Quarterly, Journal of Conflict Resolution, Journal of Peace Research, Journal of Politics, Journal of Spurious Correlation, Legislative Studies Quarterly, McGraw-Hill, National Science Foundation, Political Analysis, Political Research Quarterly, Sage Publications, Statistical Methodology.

The University of Texas, Dallas

Member, Economics faculty search committee, Fall 2008.

Chair, *Ad hoc* Committee on Quantitative Methods Course Revisions, School of Economic, Political and Policy Sciences, Fall 2008.

Workshop Presenter “Introduction to LaTeX”, Office of Educational Enhancement, July and September 2008; February and June 2009.

Workshop Presenter, “Assessment Methods for Large Classes”, Office of Educational Enhancement, Spring 2008.

Member, LMS (Learning Management System) Team / Committee, December 2007-present.

Member, Political Science Program Committee, Fall 2007-present.

Co-Advisor, Pi Sigma Alpha, Political Science Honors Society, Fall 2007-present.

University of North Texas

Member, Departmental Executive Committee, 2003-2004.

Graduate Studies and *Ad hoc* Computing Committees, Department of Political Science, 2001-2004.

Chair, Graduate Studies Committee, Department of Political Science, 2003-2004.

Member, College of Arts and Science Computing Committee. 2001-2004.

Official Representative, Inter-University Consortium for Political and Social Research, 2002-2004.
