Project 1 Demo Slots

Students, you are requested to sign-up for a single 15-min slot each, and are advised to show up 10 minutes earlier to set-up your project. It is strongly recommended to bring your laptop for the demo.

Note:

- 1) Before the demo, download the source code from WebCT (whatever you submitted before the deadline).
- 2) You are required to answer the questions (concepts, design decisions and implementation originality) asked during the demo, since we will be recording your answers for evaluation purposes.
- 3) If you are unable to sign-up for any of these slots, email the TA, and he will schedule your demo for a morning slot, immediately after the AOS class on Wednesday, Oct 08 from 9.45 am.

Slot	Date / Time / Place	Student Name	Student NetID e.g. mbm071000	Student Signature
1	Oct 07 / 11.00 - 11.15 / ECSS 4.203	Satish Yeramsetti	sxy076100	<i>[Signature]</i>
