EE 2310 Homework Policy

Starting in the fall, 2014, a new Homework Policy is being implemented. In the past, late homeworks have not been accepted in EE 2310 except under dire circumstances (serious illness, death of a relative, etc.). This policy is being slightly changed as follows: Late homework will be accepted on the following basis:

1 day late: -10 points.

2 days late: -20 points.

3 days late: -30 points.

4 days late: -50 points.

5 or more days late: Not accepted.

A few special cases may rate additional consideration (illness, etc.), but these will be decided on a case-by-case basis.

Please note: If you do not turn in your homework to the TA at the beginning of class, it is up to you to go to the TA's office or lab and turn it in directly to him.
