FEARLESS engineering™

Erik Jonsson School of Engineering & Computer Science
The University of Texas at Dallas
Jump start your studies at UTD’s Jonsson School of Engineering & Computer Science this summer in an exciting new experiential program. The Jonsson School will accept up to 40 incoming Fall 2006 Freshmen to a special 8-week summer session that will include: an “Experience” class, small sections, top instructors, residential communities, mentoring and tutoring. Make the most of your summer! Sign up today.

All participants will take:
CS 1337—Computer Science I
RHET 1101—Oral Communication/Critical Thinking
CS 2v95/EE 2v99 (2hrs) – Jonsson School Experience

These will be special sections exclusively for this group and will not appear in the regular schedule.

The Jonsson School Experience: Weekly topics will introduce students to various fields of study in Engineering and Computer Science. It includes the historical development of each field, major advances, state-of-the-art, challenges and prospects for the future. Demonstrations and assignments included. The class will discuss the background needed for each field and how the curricula provide that background. During a capstone week, you will analyze a hi-tech device, learn what makes it tick and discover what you need to learn to make it better.

Activities: A variety of field trips and social activities are planned for each week, sponsored by a student organization, such as ACM, IEEE, Society of Women Engineers, Texas Society of Professional Engineers, National Society of Black Engineers, Society of Hispanic Professional Engineers and Sigma Xi.

Orientation & Registration: Family orientation sessions will be held on Saturday, May 26 and Wednesday evening, May 31. There will be a special registration session on Sunday, June 4th. Classes start June 5th and end July 28. Applicants are encouraged to attend the first university orientation session scheduled for April 8-9, 2006.

Support: Every selected student will receive a $1,250 scholarship (in-state tuition applies to all who are accepted into the Jonsson School Summer Program. Tuition and fees for 6 hours were $1,538 in Spring 2006.

Applications: The deadline for applications is April 28, 2006. You can download an application at www.utdallas.edu/~ntafos/and e-mail the application to Dr. Simeon Ntafos, ntafos@utdallas.edu, or mail it to:
