Curriculum
Healthcare is a challenging, rapidly growing industry that employs one of every 10 working adults nationally and is responsible for more than 15 percent of annual employment growth in Texas. The Master of Science in Healthcare Leadership and Management degree program prepares industry leaders with a solid foundation in business analysis and decision-making, a thorough exposure to real-world healthcare management and rewarding professional development opportunities.

UT Dallas’ Naveen Jindal School of Management’s nationally recognized business faculty, together with a select group of highly experienced healthcare industry executives, prepare healthcare leadership and management MS graduates to assume increasingly responsible management and leadership roles in a wide range of healthcare settings.

Career Options
Graduates of the program seek positions such as: management and leadership roles in a wide range of rapidly growing health-related organizations, including health and hospital systems, service-provider organizations, insurers and managed-care companies, consulting firms, pharmaceutical companies, public health organizations and medical device and biotechnology firms.

Degree Program
The MS in Finance requires the completion of a minimum of 36 semester credit hours. University deadlines apply for the MS Finance Flex program. For the MS Finance Cohort, applications are due April 30 for international applicants and May 31 for domestic applicants.

The MS in Healthcare Leadership and Management requires the completion of a minimum of 36 semester credit hours. For complete admission and degree requirements, view the Graduate Catalog at catalog.utdallas.edu.
