# SEARCHING FOR THE DISAPPEARED:

*Mexican Mothers Turning  
Grief into Action*

Lucia Diaz, Activist

Matt Hone, PhD

Oct. 7 | 7 PM | GR 3.302

**EVENT DESCRIPTION:**

*There are tens of thousands of victims of violence throughout Mexico that have not been accounted for. El Colectivo Solecito is an organization of mothers that are searching for their missing children in the beleaguered state of Veracruz and they are fighting for justice, transparency and closure through the arduous labor of locating and identifying mass graves as well as by providing support for the loved ones left behind in the wake of this atrocity.*
