

Naveen Jindal School of Management

Master of Science in Management Science

Curriculum

The Master of Science in Management Science degree is a 36 semester credit hours (STEM) degree program that has been designed for students who need highly marketable managerial and technical expertise in 18-24 months. This degree program has:

- A focused set of required management courses based on market demand.
- A flexibility that allows students to choose a variety elective courses and concentrations.
- Convenient class scheduling, including online classes.
- 36 months optional practical training (international students).

The MS in Management Science degree program allows students to design a program of study that fits their specific needs by pulling courses from the Jindal School Graduate Catalog to satisfy elective requirements. Students are encouraged to choose a concentration in at least one of the areas listed below to gain an in-depth knowledge of a specific business area, such as:

- Accounting
- Business Analytics
- Electronic Commerce
- Energy Management
- Finance
- Healthcare Management
- Information Technology Management
- Innovation and Entrepreneurship
- Internal Audit
- International Management
- Leadership in Organizations
- Marketing
- Organizations
- Real Estate
- Strategic Management
- Supply Chain Management
- Systems Engineering and Management

The goal of the program is to help students acquire principles and techniques to develop creative solutions in a changing business environment and contribute quickly to company success within their area of specialization.

Career Options

Graduates of the program seek such positions as: budget analyst, business analyst, financial analyst, healthcare services manager, human resources manager, marketing manager, operations manager, project manager, sales manager, and a variety of other analytical and managerial positions.

Degree Program

The MS in Management Science requires the completion of a minimum of 36 semester credit hours. For complete admission and degree requirements, view the Graduate Catalog at catalog.utdallas.edu.
