

Business Chinese Test (BCT)

The New Business Chinese Test (BCT) consists of BCT (A), BCT (B) and BCT Speaking Test.

BCT is an international, standardized exam that focuses on testing non-native Chinese speakers' abilities to use the Chinese language in the real business or common working environment, and that evaluates the language tasks they are able to complete. Following such a principle as focusing on the use, oriented toward speaking and listening and emphasizing abilities in the workplace, this test aims to resemble the actual situations in the workplace and takes practical contents for communications as the carrier to examine test takers' abilities to use Chinese to meet the need in the working environment.
