- 45: ____
- 75: ____

---

While advisors confer with students about courses and educational experiences, students are responsible for defining the content of their academic program, being aware of all graduation requirements, and making progress toward an academic degree. Advisors will assist students in designing an appropriate course of study that will satisfy requirements for graduation as well as offer information on particular courses and University rules and procedures.
Prescribed Electives: 18 semester credit hours from the following list:
(see academic catalog online for full course description information)
