How do I set a PIN (optional)?
Call Customer Service at 1-866-952-3795 and follow the voice prompts.

What if a purchase is for more than the balance on my ClinCard?
If the payment is for more than the available balance on your card, be sure to inform the cashier of the amount you would like to use. Otherwise, if the card is authorized for an amount higher than the available balance, it will be declined.
Are there any fees when using my ClinCard?

There are no fees for:

- Making online or in-store purchases,
- Cashing out the card by presenting it to a teller at any major bank,
- Calling the automated system for balance inquiries,
- Calling the Customer Service number and speaking to a live agent.

The following activities incur a fee to the balance on your ClinCard:

- Not using the card or having funds added for an extended period of time. Please contact 1-866-952-3795 if an inactivity fee is deducted.
- ATM withdrawals (fees vary based on location),
- Requesting a replacement card through Customer Service. Instead, your study site can replace your card at no charge.

Can I use my ClinCard at a gas station?

Yes. However, please take your ClinCard inside to the cashier and ask them to run the card for a specific amount. Otherwise, if you use the card at the pump, the gas station will preauthorize your card for up to $75 or more. While the preauthorization is not a charge made to the account, as long as it is in place, it factors into the calculation of the available balance. It can then take several days for the preauthorization amount to be removed.

Can I use my ClinCard at a restaurant?

Yes. However, please note that restaurants (including fast food) preauthorize your card for an amount 20% greater than the bill. Your card balance must cover this in order to be approved.

Can I use my ClinCard for online purchases?

ClinCards may not be accepted for online purchases requiring address verification.

What should I do if my ClinCard is lost, stolen or damaged?

If your card is lost/damaged, notify your contact at the study site, and they will replace it for you at no charge. This deactivates your old card, transferring any remaining balance to your new card. This courtesy is available for 6 months after the last funding.

If more than 6 months have elapsed since the card was last funded, or if you prefer to contact customer service, there is a $7.00 fee for replacement, and it takes 7-10 days to receive by mail.

If your card is stolen, call Customer Service 1-866-952-3795. Customer Service will mark the card “stolen” and will assist you in contacting MasterCard to open a case.
