

Dear colleagues and community partners,

In light of President Benson's message regarding campus operations and precautionary measures, The Office of Diversity and Community Engagement's 11th annual Diversity Awards Ceremony and Soirée has been canceled.

Each year, the ODCE honors UT Dallas faculty, staff, students and community partners for their commitment to diversity and inclusion. This ceremony was established 11 years ago to highlight the power of diversity and to recognize the extraordinary accomplishments of the University's diversity champions. We look forward to seeing you next year.

Thank you for all of your hard work and support this year. Please take care.

Sincerely,

Rosie M. Peterson, BS, PAHM

Director, Institutional Diversity Initiatives
Office of Diversity and Community Engagement
