*(BIOL 2281 is required for transfer biology majors who have not completed the two-hour biology majors lab requirement prior to transfer to UT DALLAS.)*

(See UT DALLAS Departmental Advisor for upper-division course requirements)

---

**III. UT DALLAS ELECTIVE REQUIREMENTS: 15 semester credit hours**

*Guided Electives:*

All students must complete at least 51 semester credit hours of upper-division courses to graduate.

(See UT DALLAS Departmental Advisor)

**A MINIMUM OF 134-139 SEMESTER CREDIT HOURS IS REQUIRED FOR GRADUATION WITH AT LEAST 51 UPPER-DIVISION SEMESTER CREDIT HOURS.**

**PLEASE NOTE:**

Transfer Core options listed reflect the TCCNS courses only, as approved at UT DALLAS.

Other Texas public colleges or universities may individually interpret some TCCNS courses in a different core category, which UT DALLAS will honor. Check with a UT DALLAS academic advisor to verify this.

Other courses that may potentially qualify for core requirements must be approved by a UT DALLAS academic advisor or the department housing the student's major.

Completion of the entire Core Curriculum at another Texas public college or university will substitute for completion of UT DALLAS' Core Curriculum.

UT DALLAS does not accept vocational or technical courses in certificate or applied science programs, nor Workforce Education (WECM) courses, nor developmental courses.
