Goal-driven. Purposeful.

Students who transfer to UT Dallas are people with plans. The University of Texas at Dallas has a long understanding of, and respect for, transfer students and their goals. We were founded as a research institute in 1969, expanded to a university that admitted upper-division students in 1975 and began admitting freshmen in 1990. We’ve known transfer students longer, that’s why we understand you.

Today, our student body is over 40 percent transfers who are consistently ranked among our most successful students — soccer champions, White House interns and business majors with global ambitions. UT Dallas transfer students also have one of the highest graduation rates among Texas public universities.

Our statistics are impressive because of the quality of our students. They arrive at UT Dallas with college experience and strong determination to reach their goals.

UT Dallas offers students the opportunity to take part in pioneering research and outstanding academic programs and to learn from a world-class faculty. Our graduates reach — and often exceed — their goals because we customize and personalize the learning process for each one of them through a variety of resources. We offer one-on-one mentoring in the classroom, extensive academic advising and a host of other support services and opportunities: campus clubs and activities, online study groups, fast-track graduate programs, co-op and internship programs and job placement counseling through our Career Center.

On these pages you’ll learn more about how we can personalize the process to help you reach your goals. Visit us online, call us or let us give you a personal tour of our campus.

QUICK FACTS

Founded: 1969

Colors:

Enrollment:

Team Nickname: Comets

Character: Public, four-year University with eight degree-granting schools and more than 140 academic programs. Faculty includes a Nobel laureate and members of the National Academies of Engineering, Inventors and Sciences.

Location: As part of the thriving Dallas-Fort Worth Metroplex, UT Dallas is strategically positioned to develop strong research and employment opportunities with industries that include high-tech, telecommunications, logistics, finance and consumer brands. Twenty-two Fortune 500 and over 40 Fortune 1000 companies are headquartered in the Dallas-Fort Worth Metroplex.

Origin of Students: The top states of origin are Texas, California, New York, Illinois, Florida, and Oklahoma. More than 6,000 international students representing nearly 100 countries call UT Dallas home.

Student Life: More than 325 student clubs.

Student/Faculty Ratio: 23 to 1
"As soon as I arrived to UT Dallas, I hit the ground running. The faculty and staff really helped and informed me on the options that were available. With the level of options at the School of Behavioral and Brain Sciences, it was easy for me to transition and become really involved in research that interested me."

RUDY PEREZ  BS’16
Psychology

**Times Higher Education:** list of colleges under 50 years of age

- #1 in the nation
- #21 in the world

**Eight Schools:** Arts and Humanities; Arts, Technology, and Emerging Communication; Behavioral and Brain Sciences; Economic, Political and Policy Sciences; Engineering and Computer Science; Interdisciplinary Studies; Management; and Natural Sciences and Mathematics.

**Academic Profile:** Average SAT scores are among the highest of Texas public universities. 62% are in the top 25% of their high school graduating class.

- 1261 Average SAT score
- 28 Average ACT score

**Pre-Professional Programs:** Bill Archer Fellowship Program, Pre-Health, Pre-Law, Teacher Certification and UTeach Dallas. Our pre-med students who go through the Health Professionals Evaluation process are admitted to medical schools at a rate of 69%, against a national admission rate of 40%, and 95% of students advised through the Pre-Law Advising and Resource Center were admitted to one or more law schools.

**Outcomes:** 88% of the 2014-2015 graduating class reported employment or continuing education upon graduation.

**Athletics:** NCAA Division III American Southwest Conference. Men’s and women’s basketball, soccer, golf, tennis and cross country; men’s baseball and women’s softball and volleyball.

**Housing Options:** Residence halls, apartments and living off-campus.

TEACHER CERTIFICATION PROGRAMS

At UT Dallas the coursework and field experiences leading to teacher certification are delivered through two separate teacher preparation programs, the Teacher Development Center in the School of Interdisciplinary Studies and UTeach Dallas in the School of Natural Sciences and Mathematics.

Teacher Development Center Certifications
972-883-2730  utdallas.edu/teach

The Teacher Development Center offers both generalist and secondary certifications. Students complete the program with a semester of supervised student teaching. The Teacher Development Center offers the following certifications:

- **Early childhood to Grade 6**: Core Subjects (all core content fields), ESL Supplement
- **Grades 4-8**: Core Subjects (all core content fields) English, Language Arts & Reading (ELAR), Mathematics, Science, Social Studies
- **Grades 6-12**: Physical Science
- **Grades 7-12**: Chemistry, English Language Arts and Reading (ELAR), History, Life Science, Mathematics, Science (composite-biology, chemistry, earth, physics), Social Studies, (composite-history, geography, government, economics)
- **Grades 8 to 12**: Computer Science

UTeach Dallas Certifications
972-883-6485  utdallas.edu/uteach

The UTeach Dallas certification offers secondary certifications in STEM (science, technology, engineering and mathematics) subjects. Students experience real classroom teaching as early as their first semester and teaching experiences continue throughout the program. UTeach Dallas also offers many scholarship and local internship opportunities to its students. UTeach Dallas offers the following certifications:

- **Grades 4-8**: Mathematics, Science
- **Grades 6-12**: Physical Science
- **Grades 7-12**: Chemistry, Life Science, Mathematics, Science (Composite-biology, chemistry, earth, physics)
- **Grades 8-12**: Computer Science
PRE-PROFESSIONAL PROGRAMS

Pre-Law
972-883-6712    utdallas.edu/pre-law

The pre-law program at UT Dallas assists students in making informed decisions about law school and a legal career. A variety of services and programs are offered to pre-law students from freshman year through the law school application process and eventual matriculation into law school.

Pre-Health
972-883-6767    utdallas.edu/pre-health

The Health Professions Advising Center (HPAC) provides academic, career and personal advising to students who seek health careers in medicine, dentistry, pharmacy, optometry and other health professions. HPAC also sponsors seminars throughout the year and provides a resource room/lounge where students study, read scientific and professional journals and take advantage of free tutoring.

HOBSON WILDENTHAL HONORS COLLEGE

Collegium V
972-883-4297    honors.utdallas.edu/cv

The Collegium V Honors Program provides a four-year honors experience that encourages creative, inquisitive and highly motivated students to extend their educational experience through seminar instruction, personal mentoring and an enhanced academic environment.

Terry Scholars Program
honors.utdallas.edu/terry/scholars

The Terry Scholars Program is a four-year cohort experience that provides students awarded the Terry Foundation Scholarships with intellectual, social, cultural and financial support to help prepare them for future leadership roles.

The Bill Archer Fellowship Program
honors.utdallas.edu/archer

The Bill Archer Fellowship Program for Undergraduates combines classroom instruction with an internship experience in Washington, D.C., for an intensive semester of political and policy education.

Phi Kappa Phi
honors.utdallas.edu/phikappaphi

The Phi Kappa Phi chapter is the local chapter of the nation’s oldest, largest and most selective collegiate honor society for all academic disciplines.
The Career Center offers a variety of services for students at all stages of their job search process. Licensed professional career counselors provide career assessments and mock-interview training. A full-time resume editor helps prepare resumes and cover letters, business communications and personal statements. The Career Center also has career workshops, an online job-search database and helps students find internships for the summer or the school year.

- Last year over 6,000 internships were awarded to UT Dallas undergraduate and graduate students.
- In that same time, over 400 employers hired UT Dallas students.

UT Dallas students have served internships and had job placements at:

- Amazon.com
- American Airlines
- Apple Inc.
- AT&T
- Bank of America
- Boeing
- BP America
- Capital One
- Celanese
- Christus Health
- Cisco Systems, Inc
- Dell Secureworks
- Deloitte
- Ebay
- Electronic Arts
- Ericsson
- Ernst & Young
- Expedia Inc.
- Fidelity Investments
- Frito Lay
- Fujitsu Network Communications
- GameStop
- Google Inc
- Groupon
- Hewlett-Packard Company
- Hotels.com
- IBM
- Intel Corporation
- JCPenney Corporate
- JPMorgan Chase
- Kiewit
- Lockheed Martin
- Mary Kay Inc.
- Microsoft
- Neiman Marcus Corporate
- Nokia Solutions and Networks
- Oracle
- PayPal Inc.
- Popsugar Inc.
- PricewaterhouseCoopers
- Raytheon Company
- Samsung
- Sony Pictures Entertainment
- State Farm Insurance
- Texas Instruments
- U.S. Federal Government
- USAA
- Verizon
- Wells Fargo
- Yahoo

AffordableCollegesOnline.org ranked UT Dallas as one of the best returns on investment among Texas public universities. Students who graduate from these top colleges earn more over their lifetimes, on average, than graduates from other Texas institutions.
The Career Management Center (CMC)
972-883-6916  jindal.utdallas.edu/career

The Career Management Center (CMC) prepares degree-seeking students in the Naveen Jindal School of Management for significant and fulfilling business careers. The center has a committed and enduring relationship with the DFW business community and offers tools and programs to help students and graduates build their networks, enhance their skills and develop professionalism. Services include:

- CometCareers
- Professional development opportunities
- Internships
- Portfolio building

Office of Industrial Practice Programs
972-883-6916  engineering.utdallas.edu/studentservices/ipp

Industrial Practice Programs are available for Erik Jonsson School of Engineering and Computer Science undergraduate and graduate students that include cooperative education, internships and curricular practical training.

STUDENT SUCCESS CENTER
972-883-6707  utdallas.edu/studentsuccess

Whether it is individualized tutoring, Peer-Led Team Learning (PLTL), Supplemental Instruction (SI), coordinated group study or another approach to improving academic achievement, our student success team members make every attempt to assist students in achieving their academic goals across a wide variety of subject areas. Services include:

- **Math Lab**: Provides help with math, physics and statistics courses.
- **Writing Center**: Assistance at any stage of the writing process.
- **Success Coach**: Individual meetings with a success coach for students who are looking for a personalized plan for studying, managing time, navigating the University or just getting on the path to academic success.
- **Testing Center**: Technologically advanced computer testing lab that supports online exams in an array of courses.
- **Peer-Led Tutoring**: Tutoring by students who have excellent academic standing and excel in the areas in which they tutor. Tutoring sessions assist students with developing strategies that will help strengthen their knowledge, develop transferable learning skills and achieve academic success.
TRANSFER TO UT DALLAS

The University of Texas at Dallas accepts applications for admission from transfer students for the fall, spring and summer semesters. UT Dallas welcomes applications from students who have begun their college work and are in good standing at other institutions of higher education. Classifications for admission, which are based on transferable semester credit hours, determine the admission criteria.

Assured Admission

Applicants are eligible for assured transfer admission if they meet one of the following criteria:

- 42+ transferable credit hours with a minimum cumulative GPA of 3.0.
  - No more than 90 attempted hours.

or

- Comet Connection member and a completed AA/AS/AAT with a minimum cumulative GPA of 3.0.
  - Please see page 19 for more information on The Comet Connection.
  - Please see utdallas.edu/connect for more information.

or

- Qualify for admission under Section 51.8035 of the Texas Education Code.
  - Please see the catalog for more information.
  - For consideration, the applicant must submit to UT Dallas, by the application deadline, information that “expressly and clearly” claims entitlement of admission under this section.

The latest information about transfer admission can be found at: utdallas.edu/enroll/transfer.

Students admitted to the University will be enrolled in the degree program requested in their application, subject to academic requirements for specific degree programs and enrollment capacities. Students who cannot be enrolled in their first choice of major will be offered enrollment as outlined in their acceptance letter.
Transfer Guidelines

Potential transfer students who have not yet applied may schedule a pre-application evaluation. An admissions counselor can provide an unofficial evaluation of transfer credits, offer advice and help students understand the admission process. To schedule an appointment, please call 972-883-2270 or 1-800-889-2443 or visit utdallas.edu/enroll/contact.

UT Dallas operates on a semester system, and all transfer credit will be converted to semester hours. Further information regarding program prerequisites and curricula appropriate to the various majors is available through the University catalog at utdallas.edu/student/catalog.

Credits for College Level Examination Program (CLEP), Advanced Placement (AP) and International Baccalaureate (IB) will be awarded after admission. For more information, visit oue.utdallas.edu.

UT Dallas does not accept vocational, career and technical courses in certificate or applied science programs. The University also does not award credit for courses offered through Workforce Education Course Manual (WECM), developmental or ESL courses, remedial studies and prior or experiential learning. Our online UT Dallas transfer guides are available to help students determine how college credit will transfer to any undergraduate major at UT Dallas. For more information, visit utdallas.edu/transferguides.

Application Requirements

Transfer application requirements include:

• A completed Texas Common Application for Admission. Apply online at www.applytexas.org.
• A non-refundable $50 application fee.
• Official transcripts from each college and university attended. Contact your previous institution(s) and order electronic transcripts to be sent directly to The University of Texas at Dallas. Transcripts submitted in a sealed envelope from the issuing institution(s) are accepted but may delay application processing.

Applicants with 1-29 transferable credit hours or less than a cumulative GPA of 2.5 also may be required to submit the following:

• High school transcript(s).
• SAT/ACT scores.
• Essay explaining their educational history.

International applicants also must submit the following information:

• Proof of English Proficiency (Achieve a minimum score of 550 paper-based TOEFL, 80 internet-based TOEFL, 6.5 IELTS, 67 PTE Academic, or a passing grade in level 112 of English from the ELS Language Centers).
• An additional $50 foreign credential evaluation fee (if student has international documents/transcripts).
UT Dallas is very accommodating to transfer students, especially those who live off campus and commute daily. They offer flexible class times, allowing students to maintain regular working hours. Plus, with JSOM’s Fast Track program, eligible undergraduate students can earn dual credit towards an MS/MBA degree.

MATTHEW RICE Senior Business Administration

**Application Deadlines & Status Tracking**

Transfer students may apply any time prior to the dates listed below. For an application to be considered complete, all supporting documents, such as test scores and transcripts — with the exception of courses in progress — must be received by the Office of Admission and Enrollment by the application deadline (see transfer admissions requirements). UT Dallas strives to process applications and notify applicants of the admission decision by letter within four weeks after the admission file is complete.

**Deadlines for Transfer Applicants**

*International applicants with visa types other than F1 or J1 may adhere to the domestic application deadlines and dates, but still will be assessed late fees according to the F1 and J1 international deadline dates.*

Application status can be viewed by visiting the Galaxy portal at [utdallas.edu/galaxy](http://utdallas.edu/galaxy). First, set up a Net-ID and password using the UTD-ID provided in the application acknowledgement letter. To obtain a Net-ID, visit [netid.utdallas.edu](http://netid.utdallas.edu) and select “Set up a new UTD computer account.”

“UT Dallas is very accommodating to transfer students, especially those who live off campus and commute daily. They offer flexible class times, allowing students to maintain regular working hours. Plus, with JSOM’s Fast Track program, eligible undergraduate students can earn dual credit towards an MS/MBA degree.”

MATTHEW RICE Senior Business Administration
Upon receiving an admission letter, students must accept their offer of admission by logging into the Galaxy portal found at [utdallas.edu/galaxy](http://utdallas.edu/galaxy). Students are also urged to contact their academic advising office in order to review their degree plan and make preparations for registration. A listing of the academic advisors for each of the eight schools is available at [utdallas.edu/advisors](http://utdallas.edu/advisors).

Students under 22 must receive a vaccination or booster against bacterial meningitis. For more information, visit [utdallas.edu/vaccine](http://utdallas.edu/vaccine).

**Transfer Orientation**

Students transferring to UT Dallas must attend a Transfer Orientation to meet with academic advisors, register for classes and learn about UT Dallas resources. Transfer Orientation dates and a list of steps to complete before attending Transfer Orientation are available at [utdallas.edu/transferservices/orientation](http://utdallas.edu/transferservices/orientation).

### SCHOLARSHIPS

#### Comet Transfer Scholarships

The Comet Transfer Scholarship Program is available to qualified first-time undergraduate transfer students who have earned 30-90 transferable semester credit hours, of which a minimum of six credit hours must have been completed after high school graduation, excluding the summer immediately following graduation. The scholarship ranges from $250 to $1,500 for part-time and full-time enrollment as shown below. Students are reviewed automatically for this scholarship when they are admitted.

<table>
<thead>
<tr>
<th>Required Transferable GPA</th>

</tr>
</tbody>
</table>

* Renewable awards are for a maximum of six consecutive semesters. Students receiving this award must register and complete the minimum number of credits required each semester associated with full-time or part-time credits to remain scholarship eligible.
Phi Theta Kappa

The Phi Theta Kappa Scholarship is for full-time and part-time transfer students who are current members of PTK and have earned 30-90 transferable semester credit hours. Six credit hours must have been completed after high school graduation, excluding the summer immediately following graduation. Although no separate scholarship application is required, proof of PTK membership must be submitted to the Office of Financial Aid. Acceptable forms of documentation include PTK membership certificate, official letter from community college PTK advisor or community college transcript.

Eligibility Requirements for Comet Transfer and PTK Scholarships

- Students must be a Texas resident at the time of admission.
- Must have earned at least 30, but no more than 90, transferable semester credit hours. A minimum of six of those hours must have been completed after high school graduation, excluding the summer immediately following high school graduation.
- Students are reviewed automatically for both the Comet Transfer and PTK scholarships when admitted.
- For consideration for PTK scholarship: Proof of PTK membership is required and must be submitted to the Office of Financial Aid soon after applying for admission.
- Scholarships are subject to the availability of funds.
- These scholarships are awarded for fall or spring semesters to first-time undergraduate transfer students.
- Scholarships may be used in addition to other grants, scholarships or loans.
The Comet Connection program is specifically for students who attend a Texas community college and would like to complete their degree at UT Dallas. This unique program invites transfer students to become acquainted with the many services available to UT Dallas students.

Learn more about the Comet Connection by contacting our enrollment services advisors at 972-883-2270 or 1-800-889-2443 or by visiting the Comet Connection website at utdallas.edu/connect.

Comet Connection members build a close association with UT Dallas. In addition to invitations to exclusive Comet Connection events, participants receive:

- Tuition Savings: Participate in the UT Dallas Guaranteed Tuition Plan.
- Deferred Admission: Defer admission for up to 12 months.
- Degree Completion: Transfer UT Dallas course credit back to community college to complete associate degree.
- Early Advice: Meet one-on-one with UT Dallas academic advisors.
- Career Preparation: Access health professions and pre-law advising centers.
- Library Privileges: Use the UT Dallas Library through the TexShare program.
- Student Discounts: Come to campus and athletic events at the Comet Connection student rate.

Lock in tuition — guaranteed!

Comet Connection members can lock in their tuition rate for five years from the time of registration. Tuition is charged on an hourly rate up to 15 hours for Texas residents. Any hours taken beyond 15 incur no further charge for tuition. For more information, go to utdallas.edu/tuition/guarantee.

“"The campus culture at UT Dallas is amazing. Even as a non-traditional transfer student, UTD had everything that I needed to feel accepted and valued on campus and the professors go above and beyond to help students succeed. I was afraid that I would not fit in, but it wasn’t long until I felt welcomed and encouraged to get involved with several student organizations.”

LUCILLE REDDIC  BS’16
Accounting
ESTIMATED COST OF ATTENDANCE

The cost of college varies from student to student even at the same university, but based on current experience, below are the approximate costs a student might expect for one full year of attendance at UT Dallas.

<table>
<thead>

</tr>
<tr>
<td><strong>Total</strong></td>
</tr>
</tbody>
</table>

Tuition projections are based on 30 hours (15 hours per semester) beginning fall 2017. Projected tuition costs should be used only as a guideline for estimating charges. Estimates including tuition, fees, books, room and board remain subject to change, up to the time of enrollment. Once enrolled, the student pays the tuition that is locked in through the Guaranteed Tuition Plan. Please refer to the financial aid website at financial-aid.utdallas.edu for the most current estimates. Travel and miscellaneous costs are estimated at $3,952 for financial aid purposes. Oklahoma residents pursuing their first undergraduate degree pay the Texas resident tuition rate plus $30 per credit hour. Students must show proof that they are residents of Oklahoma to receive this waiver.
CREATE YOUR OWN GUIDE
utdallas.edu/guide
You are one of a kind, and we know it. That’s why we’ve developed a special guide that will include only the information most important to you. In a few quick steps, you’ll have a customized information pack that details how UT Dallas can be the perfect fit.

Here’s how it works:
• Pick the academic areas you’re interested in studying.
• Add things like housing, athletics and activities.
• Select a photo theme — from research, to campus scenes, to life in Dallas.
• Print your guide and share it in person or by email with family and friends.

CAMPUS TOUR
Campus tours are offered Monday through Friday at 10 a.m. and 2 p.m. Call 972-883-2270 or 1-800-889-2443, or visit utdallas.edu/enroll/visit for more information. You can also take a virtual tour by visiting utdallas.edu/virtualtour.

PREVIEW FRIDAY
utdallas.edu/enroll/events
It’s all about you! Join us on Preview Friday for detailed presentations on transferring, financial aid, scholarships and campus life. Talk with an advisor and learn more about UT Dallas’ innovative research and multi-disciplinary academic programs.

When you attend Preview Friday before applying for fall or spring semesters, your application fee will be waived. Events take place from 2-4 p.m. on the UT Dallas campus. Check-in begins at 1:30 p.m. All registered visitors will receive an email with exact event details. Register for an upcoming Preview Friday or other events online.

Directions to UT Dallas are available online at utdallas.edu/directions. The Student Services Building (pictured left) is located on the main mall between the Student Union and the Activity Center.

RSVP online at utdallas.edu/enroll/events or call the Office of Admission and Enrollment at 972-883-2270 or 1-800-889-2443.

UT Dallas does not discriminate on the basis of race, color, religion, sex (including pregnancy), sexual orientation, gender identity, gender expression, age, national origin, disability, genetic information or veteran status in its programs and activities. For more information contact the Office of Institutional Equity and Compliance at utdallas.edu/oiec.
