A. Verify the information on your OPT I-20. If any of the following is incorrect, obtain a corrected I-20 before mailing.

- **Name.** The name on your I-20 should match the name in your passport.
- **Major & Degree.** The major and degree listed on page one of your I-20 should match your SEVIS degree name. If you are completing two degrees simultaneously, the second degree should be listed in the remarks on page 1 of your I-20.

B. Assemble your OPT application. Collect the documents listed and put them in the order listed. You can request the ISSO to review your application before sending. **OPT Reporting Requirements**

*Note: Contact an ISSO Advisor as soon as possible if you find that you will not complete your program requirements prior to the program completion date.*

- **Within the first 10 days of OPT**, submit an OPT Reporting Form to ISSO to notify USCIS of your current address and employment status.
- **After the initial report**, report any change **within 10 business days** of the change to avoid situations where a DHS official may determine you are out of status.
- **When you report changes in employment**, ISSO will issue a new OPT I-20 to you which will reflect this information. Verify that the employment information is correct.

- You have up to 90 days of unemployment while on Post-Completion OPT. Each day (including weekends) during the period when OPT authorization begins and ends that you do not have qualifying employment counts as a day of unemployment. OPT authorization begins on the employment start date shown on the student's EAD.
- To avoid violating your immigration status, prior to reaching the 90-day limit on authorized unemployment during OPT you should prepare to transfer to another SEVP-certified school, change education level, depart the United States, or take action to otherwise maintain status in the United States.
- You may be denied future immigration benefits that rely on your valid F-1 status if DHS determines that you exceeded the limitations on unemployment. Additionally, DHS may terminate your F-1 student record if it does not show that you maintained the proper period of employment.

**Employment**

- Keep records of all OPT employment.
- Work at least 20 hours per week in a qualifying position to be considered employed.
